I am afraid that the limitations imposed by our present financial condition stand in the way of such grants. The State cannot undertake to maintain Temples built by private charity out of public funds. If the Temple is endowed with sufficient money, it may be taken under Muzrai management.

Dewan of Mysore.

Most Respected Sir,

The humble petitioner, Rama Ramanja Das of Dattatria Temple in Chamarajapett near Subrayanakere, begs to state as follows:-

I. That this temple which I have built out of funds collec-ed by donations has now been used by the piligrims on their way to and from Kasi and Rameswaram.

That out of money which I get by begging I feed such pilgrims &c, and also give them place to lodge in but very often find it difficult to feed all for want of sufficient funds.

That the Poojas of the temple are also done similarly.

That it is my most sincere endeavour to substantiate this Charitable institution of this famous part of the City, the Chamarajapett (called after the name of H. H. the late Mahar-ja) of the Mysore City.

I therefore request that under the benign Government thi institution may be taken over to the Muzrai Department and managed by the same as other Hindu temples.

For which act of generosity, I shall be highly obliged and ever pray for the long and happy life of the Soverign and his family.

I remain
Sir,
a humble devotee.
